

BARREL MIXERS

Minuteman II and Wheelman II

The Minuteman II and Wheelman II continue to reign as the **“World’s Finest Portable Concrete Mixers”**. Like all champions the Minuteman and Wheelman are a unique blend of power, speed and reliability.

CONTRACTORS SPEAK UP

“I bought a gas power Wheelman for a contract in NW Washington D.C. It easily mixed 330 bags of Sacrete (80 pound bags). We couldn’t pump in Redi-Mix because this contract was located in a very sensitive green area. The Wheelman is a great piece of equipment and it’s simple to clean!!!”
 – Steve Cullen, Owner, Cullen Landscape, Washington D.C.

Mace, this mixer is great. I thought it would dog mixing my mortar for small remodel jobs; no way! Great product.”

– Mike Duke, Owner, Duke Industries, Boca Raton, Florida

Minuteman II

Wheelman II

The Poly Drum is available on the Wheelman only.

PORTABILITY

In just a minute, the Minuteman or Wheelman can be “knocked down” into 3 easy to load components. All this by one person, with no tools required!

SPEED

Mix 200 - 275 lbs. of mortar, stucco, grout, or concrete in less than 4 minutes.

GAS POWER

Working on a jobsite without electrical power, no problem, the Wheelman is available with a 3 h.p. Honda engine.

POWER

The fully enclosed 1/2 h.p. 110v industrial grade motor with direct gear drive provides non-stop performance on any construction project. These mixers truly are contractor duty!

OPTIONAL

WHEELMAN stand shown here. Easy to dump and it swivels a full 360°.
