MTX-Series Rammers

New for 2007, our MTX-Series resets the bar for tamping rammers.

Improved clutch design — features a new self-cleaning design that prevents build-up for material and provides a longer service life.

Hourmeter — New on-board hourmeter/tachometer.

Throttle — Mikasa's original design that functions as a throttle, start/stop and fuel shut-off.

Air Cleaner — New Cyclone Filter System delivers triple the amount of clean air to lengthen component life with less maintenance than ever before.

New Cyclone Filter System

Throttle

Hourmeter
