# FINISH BLADES

Always request genuine MQ Whiteman replacement blades and pans for your Walk-behind or Ride-on trowel. Using a high carbon, high performance tool steel allows MQ Whiteman to produce a very durable and long lasting blade. Quality and durability have been our trademark for over 75 years!

Multiquip offers finish blades for walk-behind and ride-on trowels. Material thickness ranging from .062 to .092 ensures long life and smooth operation.

**F11990**  
Finish Blade  
6" x 23" .092"

**F10400**  
Enduro Finish Blade  
6" x 18" .092"

**F10616**  
Enduro Finish Blade  
6" x 16" .092"
