CARRY 107 - TIPPING BUCKET

Model # 5221110001

11 HP Honda GX

A COMPACT, YET POWERFUL TRACKED DUMPER BOASTS A 11HP HONDA ENGINE WITH AN EASY ELECTRIC START

The Carry 107 mini-dumper is the ultimate 1-person ride-on hauler. Designed with a compact 30" width to fit through the narrowest of backyard gates or interior doors. While conventional buggies and tracked machines do not offer an extendible undercarriage, the rubber tracks on the Carry 107 can extend from 30" to nearly 42" in width to provide the added stability required on challenging job sites with hills and uneven slopes, plus the extended track provides added protection to lawns and floors preventing unwanted damage.

42" Extendible Undercarriage

Intuitive controls with reduced vibration for operator comfort

Hydraulic power take-off provides added power for speed and inclines

Ergonomically designed footplate structure prevents vibration to operator

Narrow 30" width to fit through standard doors and gates

Steel 11.6 cubic foot bucket and 1,543 lb operating load

Change attachments easily with the "quick coupling" system

SAFETY AND STANDARDS

The Honda engine is low noise, which meets established noise pollution standards. The engine is mounted on vibration dampers to significantly reduce the amount of vibration transmitted.

EASY TO USE CONTROLS

Uncluttered, convenient, and intuitive controls allow for easy 1 person operation. The surrounding grab bars provide the operator added safety when driving and a convenient armrest when idling.

Technical specifications

POWERED BY **HONDA**

	CARRY 107
Engine*	Honda GX390, 11 hp
Machine weight 107 / 107 HT	950 lbs / 1510 lbs
Operating load	1543 lbs
Payload capacity	11.6 cu ft
Speed	2.5 mph
Max allowed slope when empty	15° - 26%
Max allowed slope when loaded**	7° - 12%***
Ground clearance	4 in
Start	Electric
Length	72 in
Height	44-½ in
Width	30 in

CARRY 107 - GAS POWERED HI-TIP TRACKED MINI-DUMPER AND MORE

TOGETHER **WE BUILD**

<i>SELF-LOADING SHOVEL</i>	Model # 5180101010HD
<i>DUMP PLATFORM WITH OPENING SIDES</i>	Model # 5180101012HD
<i>CONCRETE MIXER L 250 KIT AND SELF-LOADING SHOVEL</i>	Model # 5180102012HD
<i>LEVELLING BLADE KIT</i>	Model # 5180100029HD
<i>HIGH TIP BUCKET & SELF-LOADING SHOVEL KIT</i>	Model # 5180101602HD

ACCESSORY KITS PROVIDE ADDED VERSATILITY AND ROI

The Carry 107 mini-dumper offers a full range of attachments that handle every aspect of material handling and multiple applications. Easily convert one machine into six different machines - including a Self-loading Shovel, Dump Platform, Concrete Mixer with Self-loading Shovel, Levelling Blade, and the Hi-Tip Bucket and Self-loading Shovel kit.

1
SELF-LOADING SHOVEL
Model # 5180101010HD

Attach the hydraulic-powered self-loading shovel to easily scoop, move, and drop multiple materials like stone, gravel, mulch, and dirt, not to mention job site cleanup.

2
LEVELLING BLADE
Model # 5180100029HD

Once you are finished moving material, the levelling blade is the perfect solution for levelling gravel, and stone for driveways, walkways and patios. The swiveling blade makes a great tool for pushing snow off parking lots and walkways.

3
CONCRETE MIXER WITH SELF-LOADING SHOVEL
Model # 5180102012HD

The concrete mixer and hydraulic-powered self-loading shovel are a unique solution for mixing and pouring concrete in hard-to-reach areas. Use the shovel to load dry material into the mixer, or use it to gently place wet material.

4
HI-TIP BUCKET WITH SELF-LOADING SHOVEL
Model # 5180101602HD

The "Hi-Tip" attachment hydraulically lifts materials in the steel 11.6 cubic foot bucket to an unloading/loading height of 63". The kit includes the self-loading shovel.

5
DUMP PLATFORM
Model # 5180101012HD

The three folding sides on the dump platform presents multiple possibilities for moving everything from logs and large rocks to drywall and lumber.
