Jackson, MS Ph: 601-923-8888
Gulfport, MS Ph: 228-328-4300

The Vermeer SC652 stump cutter is designed to enhance cutting and has the ability to maneuver through tough jobsite conditions. A unique four-bar linkage allows the cutter wheel to move away from the machine as the boom drops down toward the stump, reducing the need to reposition the entire unit. The SC652 can achieve cutting heights of 31 inches (79 cm) above ground and 25 inches (64 cm) below grade.
