

CFP™ Series Floor Polishers

- Maximum durability
- Smooth planetary gear systems
- Exclusive dihedral handle
- Multiple models to choose from
- Operator friendly

The CFP™ Series floor polishers are unmatched in premium features and offer the highest performance, priced at a great value.

Available models include 13, 17, and 20 inch cleaning paths. The 17 and 20 inch models feature high performance motors with either a 1 or 1.5 hp dual-capacitor. A 20 inch 1.5 hp dual speed machine is also available.

The CFP Series floor polishers are unmatched in features and benefits.

Trusted. Reliable. Efficient.

A Nilfisk-Advance Brand

Clarke®

The CFP™ Series Polisher Line – Premium quality features at a value price!

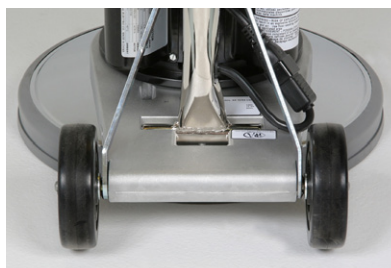

Simply by unlocking and lowering the handle, the Super Flex power cord releases easily and quickly for getting the job started fast.

Whether scrubbing, screening, grinding, or bonnet cleaning, the CFP Series floor polishers can and will fit your every application need.

With all chrome-plated steel brush housing, motor cover and handle tube, the CFP's are built to last. The CFP's have many quality features at a value price.

The dual speed model has a simple switch to change from 180 to 320 rpm. Also, there is an indicator light that illuminates when the carbon motor brushes need replacement.

The wide stance of the transport wheels promote maximum stability when rolling over thresholds.

A full wrap around bumper protects the floor.

Short cut bristle pad driver comes standard with polisher.

Powerful motors in both 1 hp and 1.5 hp have dual capacitors to maximize startup and run torque.

The simple modular switch design promotes fast and easy repairs to minimize maintenance costs.

SPECIFICATIONS	CFP 130	CFP 170	CFP 200	CFP 1700	CFP 2000	CFP 2000DS
