

DR-550XLT Spray System

DR-550B available, call for details

The **Ditch Runner** designed DR sealcoat spray systems have been a proven industry standard for over 25 years. It's simple, rugged built, and powerful pumping system provides today's sealcoating professional with the most versatile spray solution available. **Our pumps are built with fewer parts, nearly one third less than air diaphragm pumps**, makes them virtually maintenance free.

Standard features:

- DR 100 piston material pump.
- 16HP Vanguard engine electric start.
- Heavy duty tongue jack.
- 30 GAL plastic water tank.
- Large material filter housing.
- Easy operators controls.
- 16" tires and wheels.
- Rear bumper guard.
- 18" x 18" square sealed manway with inner lid.
- Brush/broom box with holder.
- 7000 lb axels
- 60" X 30" Equipment Ramp
