Part Number and Description								Remarks
Self Dicing Blades								
	27---75---04---062---US Blade Bull -- 7.5 x 4 x 0.062 in Self Dicing <i>(Also fits our Mule Floor Scraper/Stripper)</i>	✓	✓	✓			Sharpened wings eliminate pre-cutting of floor covering being removed. Excellent blade for difficult removals.	
	27---145---04---062---US Blade Bull -- 14.5 x 4 x 0.062 in Self Dicing	✓	✓	✓			Sharpened wings eliminate pre-cutting of floor covering being removed.	
	27---35---80---15---US Blade U--Shape Sharp Bull -- 350 mm	✓	✓	✓			Similar to above, but with the sharpened edge down. Designed for removals over softer sub--floors.	
Narrow Width Blades								
	27---75---03---062---US Blade Bull -- 7.5 x 3 x 0.062 in <i>(Also fits our Mule Floor Scraper/Stripper)</i>	✓	✓	✓	✓	✓	Excellent all around blade. Designed for tougher removals when used on The BULL.	
	27---75---03---092---US Blade Bull -- 7.5 x 3 x 0.092 in <i>(Also fits our Mule Floor Scraper/Stripper)</i>	✓	✓	✓	✓	✓	Similar to above, only thicker. Excellent for scraping up debris after using one of the chisels below.	
Wide Width Blades								
	27---145---05---092---US Blade Bull -- 14.5 x 5 x 0.092 in	✓	✓	✓	✓	✓	Superb, wide, thick blade suitable for numerous applications. 5" depth of blade helps to keep it under floorcovering.	
	27---145---03---062---US Blade Bull -- 14.5 x 3 x 0.062 in	✓	✓	✓	✓		Good all around blade. Standard thickness. Some floorcoverings will need to be hand cut into strips first.	
	27---45---80---25 Blade Bull -- 450 x 80 x 2.5 mm	✓	✓	✓			Increased width blade (17.7"). Designed for increased production rates on less difficult removals.	
Extreme Duty Applications								
	27---10---18---00 Chisel Holder -- Bull	Not applicable.						Adapter designed to hold chisels listed below. Replaces the top blade jaw of The BULL.
	27---08---69---50 Tile Chisel -- 50 mm					✓	Wider chisel used for difficult floorcovering removals.	
	27---08---69---24 Power Tile Chisel -- 25 mm					✓	Chisel used for extremely difficult removals. Used on a very wide selection of difficult floorcovering removals.	
Accessories								
	27---10---17---50 Dust Extraction Set Complete	Not applicable.						Dust port mounts directly over the blade jaw of The BULL. Attaches to separate external dust collector.
	27---10---00---00 Transport Wheel Attachment -- Bull	Not applicable.						Wheels replace the upper blade jaw of The BULL to simplify transportation.
