

# Model 140

## Paving Breaker

Tackle tough jobs without the extra weight using the **APT M140**. This rugged 40-pound paving breaker is built for light to medium construction work and is ideal for plant maintenance.

Break through floors, pavement, and frozen ground with ease. Its reliable performance also makes it a top choice for bridge deck demolition.

# Model 140A

## Airgo-Line® Paving Breaker

Boost efficiency without sacrificing power with the **APT M140A** paving breaker. This 40-pound class tool features ergonomic handles that reduce vibration to the hands and arms, helping operators stay comfortable and focused.

It provides the same impact as the standard tool, but reduces fatigue to keep crews productive all day long.
