# LINKTower

LED LIGHT TOWER

www.discount-equipment.com

## LINKTower LED LIGHT TOWER

LINKTower from Generac Mobile is a unique portable lighting solution for a wide range of jobs, events and projects, indoors and out. LINKTower provides powerful illumination in a compact, maneuverable design for ultimate versatility and ease of use. Use one, or LINK two towers together, the linking capability allows for flexibility and versatility in lighting events and jobsites. And, because it's powered by a standard 120V outlet, there are no harmful fuel emissions. LINKTower is a clean and safe choice for temporary lighting needs of all kinds.

## SAFE

Shore-powered LINKTower produces zero localized emissions, so it's safe to use indoors and out

## QUIET

Silent operation is ideal for music and other special events, and any application in which sound is a concern

## **VERSATILE**

- Power from 120V utility power source, generator or another light tower
- 120V AC duplex receptacles can power commonly used jobsite tools
- Smaller size and mast design fits through a standard door opening

#### COST EFFECTIVE

- Lowest total cost of ownership for a light tower no service interval, no diesel fuel
- Compact footprint saves on transportation costs
- Instant-on LED lights

## **EASY TO USE**

- LINKTower can be set up by a single person in less than one minute, saving time and manpower
- Ergonomic folding handles and additional caster wheel allow for one-person maneuverability
- Lockable side access door for internal storage of extension cords and tools
- Forklift pockets and lifting eye ease loading and unloading

## **APPLICATIONS**

- Music and Special Events
- Industrial Plants
- Warehousing
- Worksite Lighting
- Sporting Events
- Parking Lot Lighting
- School Events
- Municipal Projects
- Auto Dealers
- Hi-rise Construction
- Construction
- General Rental

through a standard doorway
