PRODUCT CATEGORY

FEATURES AND BENEFITS

MS 230

COMPACT FLOOR SCRAPER, GREAT FOR REMOVING MANY TYPES OF FLOORING

This compact, easy to operate multistripper offers the user a solution for commercial and domestic applications. All components are manufactured from the highest grade materials ensuring strength and reliability.

- Fully adjustable chasis to adjust blade angle
- Large diameter wheels for excellent mobility and stability
- Simple clamp arrangement for quick and easy blade change
- Optimum weight distribution to ensure high work rate
- Handle height adjustable for operator control
- 230mm (9") working width

Typical Applications

- The removal of sheet vinyl, linoleum, cork, bonded carpet
- Woodblock, tiles, de-bonded membranes, sports surfaces
- Failed latex
- Build up of excess materials in production areas
- Mortar/Plaster droppings from concrete floors in new build

HEAVY-DUTY, SELF-PROPELLED FLOOR SCRAPER

This heavy duty power driven machine has proved to be a popular choice, setting new industry standards for all strippers of this type. The MS 330 offers the user a totally effortless high performance stripping machine for the removal of materials in the toughest possible conditions.

- Power driven support wheels to provide excellent forward traction
- Handle height adjustable for operator comfort
- Manually operated positive drive clutch for forward drive/freewheel
- Extremely powerful robust construction
- Simple clamp arrangement for quick and easy blade change
- Available in a choice of electric or petrol
- Blade angle adjustable to suit application

Typical Applications

- The removal of sheet vinyl, linoleum, cork, bonded carpet
- Woodblock, tiles, de-bonded membranes, sports surfaces
- Failed latex
- Build up of excess materials in factory production areas
