

### Quiet, compact power!

# **PSS8B4W** Packaged Standby Generator

### **FEATURES**

- · Easily installed outside new or existing homes
- Critical grade exhaust system for quieter operation
- Low maintenance Emissions compliant
- Sound attenuated housing constructed of galvannealed steel with durable powder paint finish
- Direct natural gas or LP fuel system
- Requires 4-Wire ULATS165 transfer switch for automatic operation (sold separately see specs below)

#### NOTES:

- (1) Derate 3.5% per 1,000 feet elevation above sea level
- (2) One gallon of L.P. gas equals 4.23 lbs
- (3) Battery not included. Requires 12-volt Group U1, 235 cca battery
- (4) Rotating Field Brushless design generator

(5) Code G capacitor start motor

PSS8B4W 02/04
