

SWEEP AND LOAD WITH JUST ONE PASS.

MK-1 TRANSFER SWEEPER

This all-in-one sweeper will save you time and material by combining both the sweeping and loading in one pass. The unique design and conveyor articulation make it easy to load any truck or bucket loader from the front or from either side. New for 2019, the MK-1 has a Cummins QSF3.8 Tier-4 final engine and all our MK-1 machines will come equipped with a diesel exhaust fluid (DEF) tank to help break down dangerous NOx emissions.

STANDARD FEATURES
